- serve over 7,000 people annually in our community with home health care and community health services;
- provide \$24,368 in free therapeutic services provided to those who are unable to pay for care;
- offer free community services valued at \$399,800, including Health Fair, Well Child Clinics, Seasonal Flu and H1N1 Clinics, Travel Medicine and Blood Pressure Clinics, support groups, cholesterol screenings, wellness seminars, and Quality Living at Home Program.

Your support is needed to allow RVNA to maintain and expand our services to meet the growing health care needs of our community.
